Subject: more info in drop box

Hi Brian,

Thank you for stopping in to meet with me yesterday. Hopefully, you're not looking at this until AFTER you sister's wedding. I put two more pieces of info into the drop box. One is *March 5 Summary of Forms I Generate Off the Data Base* and the other is a folder with all the forms I create titled *spread sheets and forms I generated*. I will get back to you with answers to your questions soon.

I truly appreciate all of your efforts.

Thanks,
